**Re: Request for Special Temporary Authority to Remain Silent
KLGQ(FM), Grants, New Mexico (FIN: 83874)**

Dear Ms. Dortch:

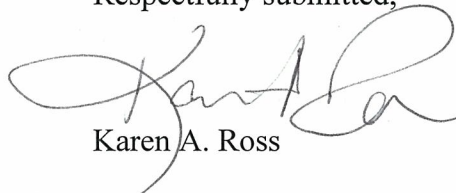

On behalf of Educational Media Foundation ("EMF"), the licensee of FM radio station KLGQ(FM), Grants, New Mexico, and pursuant to Section 73.1635 of the Commission's rules, this letter is to request Special Temporary Authority (an "STA") to allow KLGQ to remain silent.

As the Commission is aware, on March 10, 2010, KLGQ temporarily discontinued operations due to what EMF believes to be a damaged antenna. At present, EMF still has not been able to access the tower site due to a deep and abiding snow pack in the surrounding area. While EMF continues to work diligently to access the site to diagnose the problem and make the necessary repairs, EMF respectfully requests an STA to allow KLGQ to remain silent.

Enclosed is an Anti-Drug Abuse Act Certification executed on behalf of the licensee. Because EMF is a noncommercial educational licensee and the instant request is for permission to remain silent, no filing fee is required.

Should there be any questions regarding this matter, please contact the undersigned.

Respectfully submitted,

Karen A. Ross
